Summary:

This book is ideal for individual or group professional development, covering skill requirements for coaching and describing the four roles of effective coaches: facilitator, observer, colleague and learner. Readers will find sample scenarios, advice from recognised literacy experts, and topic extensions for study groups. It offers practical advice on:

- Developing relationships with school administrators
- Tips for coaching difficult or noncompliant teachers
- Practical recommendations for first-year coaches.

A Guide to Literacy Coaching illuminates the many practical strategies literacy coaches, mentors, teacher leaders and staff developers can use to promote teacher development and schoolwide literacy success.
