Summary: 'Strengths-Based Counseling With At-Risk Youth' provides the tools both to understand and access strengths buried beneath problem behaviours. It offers specific, effective strategies in working with adolescents to construct positive identities and realistic action plans. Features include: six chapters for youth engagement, covering common problem behaviours; an entire chapter on bullying; an abundance of real-life examples and counselling narratives; and a Resilient Youth Strengths Inventory to assess resilience and identify areas that need strengthening. A sincere application of Ungar's compassionate and open-minded strategies is sure to transform the lives of countless adolescents in need, and the institutions that serve them.
