Summary:

Designed to complement Jim Knight's best-selling book *Instructional Coaching*, this comprehensive multimedia presentation provides staff developers with the necessary materials to demonstrate the principles of a partnership approach for coaching teachers to improve classroom instruction. Facilitators will be able to show aspiring and experienced coaches how to get teachers on board, observe teachers, provide model lessons and engage in reflective conversations. Appropriate for groups of any size, this all-in-one multimedia resource helps staff developers, principals and administrators provide professional development that strengthens coaching capacity, instructional effectiveness and school-wide performance. This kit includes DVD, Facilitator's Guide and copy of *Instructional Coaching*.
