## Summary:

This book provides school leaders with readily accessible information to guide them in developing a Professional Learning Community that supports teachers and students. The authors cover building a vision for a PLC, implementing structures, creating policies and procedures, and developing leadership skills required for a learning community. Each chapter includes meaningful quotes from the field, “rocks in the road” and ways to overcome them, examples from real PLCs and learning activities. The text illustrates how this research-based school improvement model can help educators. Discover how you can grow a vital community of professionals who work together to increase their effectiveness.
