

The Principal as Mathematics Leader

Authors: Ontario Principals' Council

Date Available: 21 May 2009
ISBN: 978 1 74239 109 0
Code: CO1095
RRP: \$45.95
Format: 180x250, 112 pages
Age Range: Professional Development
Category: **Mathematics**
Subject: Professional Development

Summary:

Appropriate for inexperienced instructional leaders who would like a stronger foundation in mathematics education, as well as for more experienced mathematics coaches and leaders, this guide outlines relevant research related to mathematics education and offers: Strategies for observing and evaluating mathematics instruction in classrooms; Suggestions for supporting teacher growth and development, including co-teaching, lesson study and job-embedded professional learning; and tools and templates to use in working directly with faculty members. The Principal as Mathematics Leader is an essential resource for all principals and school leaders who are fully committed to achieving results in their schools through stronger mathematics programs.
