

# Hawker Brownlow Education

# Engage the Brain: Games

# Set of 10

Authors: Marcia L Tate

**Date Available:** 12 June 2008

**ISBN:**

**Code:** CO10ETBG

**RRP:** \$240.00

**Format:** A4, 10 x 96 pages

**Age Range:** P-6, Middle Years

**Category:** Middle Years, Primary Hands on Resources

**Subject:** English, Maths, Science, Social Studies

**Summary:** The Engage the Brain: Games series offers practical activities that energise students, increase brain connections to content and reinforce learning in a non-threatening atmosphere. Derived from tested, research-based strategies found in the bestseller Worksheets Don't Grow Dendrites, these books provide activities that incorporate games aligned with standards for maths, sciences, English, and social studies, including history, geography, cultural studies and politics. Here you will find brain-friendly activities that can be integrated easily into your lessons to inspire enthusiasm and help students achieve. Each provides learning objectives, a complete materials list, step-by-step guidelines for playing the game, activities for extended learning and required activity sheets.
