## Summary

Today's improving school systems require educators who intentionally collaborate and co-learn in service of students to get expected results. This resource-rich book from experts Sharratt and Planche is a straightforward, strategic path to achieving sustainable communities of deep learners. Research-proven inquiry techniques, vignettes, case studies and practical action-oriented protocols help you build strong learning relationships for high-impact student achievement.

System leaders, principals and teachers learn to

- integrate diverse views and perspectives
- build trust and hear every voice
- apply a replicable inquiry framework to leverage key resources and processes
- build students' cognitive, interpersonal and intrapersonal skills
- use "Assessment-in-Action" to improve, monitor and sustain student and staff progress
- build a collaborative culture through learning together.

Use this guide to transform your school from a place of "good intentions" to a centre of intentional practice today!
