Summary:

Madeline Hunter's tried and true methods for effective instruction remains one of the most important teaching approaches available to educators today. *Mastery Teaching* is the best guide to rigorous standards-based instruction that covers teaching to both sides of the brain, teaching for meaning and retention, and teaching for transfer to real-life situations. This exciting new edition by educator Robin Hunter features:

- Integrated, learning, motivation, guided practice and behaviour integrated into a comprehensive and effective model for classroom teaching
- Newly updated and expanded content to encompass teaching for independent learning
- Teaching tips, classroom examples, recommended readings, a new comprehensive index and a discussion guide for each chapter
- Tables detailing relevant Australian Professional Standards for Teachers to help refine practice in your classroom

Every educator will find this updated classic to be a refreshingly direct introduction to, or reminder of, the basic principles of effective instruction for academic excellence!

Supporting Resources:

- *Leading with Inquiry & Action: How Principals Improve Teaching and Learning* (CO3292)
- *Better Learning Through Structured Teaching: A Framework for the Gradual Release of Responsibility* (108010)
- *The Art & Science of Teaching: A Comprehensive Framework for Effective Instruction* (107001)
- *Professional Development: What Works, 2nd Edition* (EYE0503)
- *Powerful Professional Development* (CO5968)
