### Summary:

Create a blueprint for your educational objectives!

Integrating curriculum with content standards and working with other educators to develop a teaching program makes instruction not only collaborative but also cohesive. This book offers teachers a customised, personalised process to prepare their curriculum while folding content into a larger curriculum map.

Kathy Glass leads P–12 educators step-by-step through the process of developing a Curriculum Year Overview—or curriculum map—helping to establish meaningful connections between content areas while ensuring that all standards are met.

Discover how to build a strong foundation that promotes clear educational goals and results in a winning curriculum plan for your classroom and school!
