- Build relationships, improve schools and meet assessment goals

Summary:

Keys to Curriculum Mapping is packed with templates, flowcharts, tips and troubleshooting techniques for curriculum mapping. Drawing on her own experience, as well as her collaboration with curriculum mapping expert Heidi Hayes Jacobs, Udelhofen includes processes for finding time for curriculum mapping, sharing information with colleagues within the curriculum mapping framework and adapting curriculum mapping to support other school-based programs.

Curriculum mapping provides more than a map of curriculum units, assessment formats and scheduling; it allows educators to build relationships, improve schools and meet assessment goals.
