Summary:

Graphic organisers are effective, research-validated tools for supporting student achievement, promoting students' higher-level thinking, and strengthening learners' visual and metacognitive skills. In his new book, James Bellanca offers teachers a collection of 24 ready-to-use graphic organisers to enhance student learning across subject areas and year levels. Presenting each graphic organiser in its own chapter, the author includes lessons for introducing these engaging learning tools to students and offers tips for maximising their positive learning effects.

Revised with current research, new graphic organisers and a streamlined format, this second edition is a valuable resource for novice teachers or seasoned veterans. Bellanca's extensive collection is the ideal guide to help you integrate graphic organisers into daily instruction.
