Summary

Used by hundreds of schools across the United States, the Whole-Staff Study Group system is a student-driven, holistic process for facilitating major staff development and schoolwide change. This edition incorporates the most current theoretical concepts on change, the latest refinements to change management procedures, and a wealth of new experiences from more than two thousand individual study groups.

Key Selling Points

- Updated best-practice techniques to foster development and change in teaching.
- Student-driven, with real-life examples.
- Empowering and encouraging text that encourages teacher development.
- A do-it-yourself group experience for teachers, teams or departments driven to excellence.
