- Practical research-based strategies for improving literacy in your classroom
- Identifies and problem-solves common causes for reading difficulties
- Written by an experienced literacy expert

Summary:

Literacy expert Marie Carbo pairs identifying each learner's unique reading style with a wide range of differentiated strategies to help all learners experience greater reading success. Using these research-based methods, both novice and experienced teachers can increase reading achievement with all learners, including those who are at-risk, older, or have special needs, as well as English Language Learners. The author offers practical assistance for implementing strategies that meet the literacy requirements of many state initiatives.
