Summary:

Create a community-supported culture of reading that fosters students' lifelong cognitive development! Literacy expert Donna Ogle draws on her extensive experience to provide an easy-to-administer survey for diagnosing a school's reading culture. She then demonstrates how to identify priorities and create a vision, encourage shared discussion and study, and move toward positive change that promotes ideal conditions for developing literacy. Aligned with literacy initiatives and standards, this updated, research-based edition is ideal for helping students expand their reading strategies to establish the cognitive foundation for advanced learning.
