## Key Selling Points:

- Authored by one of the key names in leadership theory
- Helps encourage positive reform practices for the entire school community
- Loads of resources, support materials, templates and reflection ideas

## Summary:

Learning Places is organised to make learning contagious throughout the school. This user-friendly guide helps create a culture of learning that promotes the simultaneous development of students, teachers and parents—addressing specific ways to maximise study groups, student data, classroom walk-throughs and more. Issuing a call to action for all educational communities, this easy-to-use manual offers a visionary yet grounded approach to revitalise educators and re-energise their efforts for meaningful, lasting reform.
