### Summary:

Through their extensive experience conducting professional development sessions with educators nationally and internationally, the authors have acquired a vast compendium of effective presentation and facilitation strategies. Now, they present 144 strategies for leading staff development workshops, professional learning communities and staff meetings. Using different strategies from each column of a morphological grid, presenters can create a different presentation format every time. Ideas can be arranged according to personal preference, group needs or creative inspiration. Designed for staff developers, school leaders and professional learning community facilitators, *From Staff Room to Classroom II* makes planning creative and winning presentations effortless!
