## Summary:

Successful teacher mentoring holds the key to fostering teacher retention and increasing the effectiveness of new teachers. Building on his extensive research into active teachers and classrooms, Ron Nash demonstrates how educators can build effective, active mentoring programs for new teachers. Packed with strategies, anecdotes and reflection questions, this resource goes beyond topics commonly found in coaching and mentoring books to stress the importance of training new teachers to employ active classroom principles that ensure student achievement.

Nash discusses professional development, emphasises the importance of creating and maintaining a schoolwide climate conducive to mentoring, illustrates the critical role of mentors in providing support to new teachers and demonstrates how to build strong personal and professional relationships between mentors and protégés.

Now mentors can actively influence the next generation of teachers by promoting best practices for engaged learning and a lively classroom environment!
