**RRP:** 45.95  
**Format:** A4, 194 pages  
**Age Range:** P-6  
**Category:** Professional Development  
**Subject:** Professional Development

## Summary:

Educators have come to recognise the long-term negative impact that bullying can have on children and the need to proactively teach acceptable behaviours, for both in school and out. This user-friendly resource provides educators with fun, interactive lessons and activities that support students' safety and well-being, promote healthy social-emotional development, and improve academic achievement. Using role plays and sample scripts that can be adapted to specific situations, the authors illustrate how to teach critical concepts and behaviours, including how to stand up to a bully and how to stop another student from bullying.

*How to Stop Bullying and Social Aggression* helps educators engage bullies, victims and bystanders at their own level and teach healthy behaviours to create safe, healthy schools.
