Subject:	Professional Development

Summary:

In this exciting resource, Diane Hodges offers a wealth of ideas, strategies and tips for kicking off a successful school year. Based on a huge collection of proven activities from actual educators and schools, the book provides positive, spirited approaches to help principals and school administrators create a nurturing culture where teachers are encouraged and appreciated for all that they do. Activities are loosely divided into terms and seasons, but most can be used all year round. Spark teachers' enthusiasm and boost campus morale every day by incorporating proven techniques that will revitalise the spirit of your entire school community!
