Key Selling Points:

Summary:

How can teachers create a positive classroom environment that engages students and optimises learning? This comprehensive resource presents guidelines and strategies teachers can easily implement to organise, plan and manage classrooms that are customised for all learners.

Best-selling authors Carolyn Chapman and Rita King provide a wealth of management tips and ready-to-use tools to help teachers support the individual learning styles and diverse needs of all students. Written in a teacher-friendly style, the topics include:

- Managing, designing and maintaining a productive learning environment
- Planning tools and how-to's for using twelve differentiation models
- Strategies and designs for flexible grouping
- Management tips for using differentiation strategies such as individualised assignments, choice boards, cubes and projects
- Informal and formal assessment tools to use before, during and after instruction to obtain feedback, plan for targeted intervention and guide differentiated planning

Ideal for teachers new to differentiated instruction as well as veterans experienced in using the approach, this essential text helps teachers effectively manage each aspect of the differentiated classroom and provide instruction that meets the needs of every student.
