## Key Selling Points:

- Create a climate for reading
- Includes samples, suggestions, applications and assessments
- Straightforward and easy-to-use

## Summary:

This straightforward, easy-to-use handbook gives teachers creative yet substantial ideas and methods for infusing phonics, word analysis, vocabulary development, and comprehension strategies into subject-area instruction. As in the original *Differentiated Instructional Strategies for Writing in the Content Areas*, *Differentiated Instructional Strategies for Reading in the Content Areas* uses the same eclectic blend of differentiated instruction, multiple intelligences, scaffolding, constructivism, and co-op learning methods and activities. Each chapter includes samples, suggestions, and lists that you can quickly apply to your own classroom.
