## Summary:

Best-selling author Marcia L. Tate shows that with appropriate planning, a classroom manager can reduce learning problems and increase academic achievement. She demonstrates how to cultivate a physical classroom environment conducive to learning, develop a proactive classroom management plan, deliver brain-compatible lessons, and deal with chronic behaviour problems. Providing easy-to-implement strategies, this reader-friendly guide covers the use of lighting, music, humour, constructive conversations, movement, classroom rituals and parental support to actively engage students.
