Age Range:	P-12
Category:	Professional Development
Subject:	Professional Development

Summary:

Do you know the kid who constantly disrupts class, the kid who never participates, or the kid who never finishes homework assignments? This essential guide uncovers current theories and research on classroom management and provides a wide range of user-friendly methods to help teachers proactively address common disciplinary issues before they become major problems. Educators will learn how to establish a warm classroom climate that fosters a spirit of cooperation, respect and love for learning, while encouraging students to interact courteously with their teachers and peers. In addition, the third edition includes over 100 new classroom scenarios, examples, strategies and activities for establishing and applying appropriate procedures, and information on formative assessments.

This indispensable text provides the essential foundation teachers need to help students take responsibility for their own behavior, resolve their own conflicts, and celebrate their own learning.
