Summary:

RESULTS Coaching is a leadership model based on building coaching relationships with staff members to help them develop as professionals. Being a "coach-leader" is a new identity that challenges leaders to "walk the talk", continuously growing and improving themselves before leading and modelling for others.

Built upon the International Coach Federation standards and competencies for coaching, this exciting new resource empowers you to maximise the potential of everyone around you. This book offers:

- A navigation system for promoting creative thinking and solution finding at every level of school systems
- Language that builds trust, confidence and competence
- Methods for effective communication, such as committed listening, powerful paraphrasing, presuming positive intent and reflective feedback
- Testimonials of coach-leaders describing the results they have achieved in their schools
- Strategies, tools and questions that provide a model for conducting open and reflective conversations

Use this successful blueprint to guide teachers, staff and students in creating productive school cultures that grow from within!
