<b>Format:</b>	A4, 96 pages
<b>Age Range:</b>	Middle Years, 5-9
<b>Category:</b>	Middle Years
<b>Subject:</b>	Geography, History, Social Studies

**Summary:** The Engage the Brain: Games series offers practical activities that energise students, increase brain connections to content and reinforce learning in a non-threatening atmosphere. Derived from tested, research-based strategies found in the bestseller Worksheets Don't Grow Dendrites, this book provides activities that incorporate games aligned with standards for social studies, including history, geography, cultural studies and politics. You will find brain-friendly activities that can be integrated easily into your lesson plans to inspire enthusiasm and help students achieve. Each provides learning objectives, a complete materials list, step-by-step guidelines for playing the game, activities for extended learning and required activity sheets.
