ISBN:	1 74170 699 8
Code:	CO6998
RRP:	52.95
Format:	A4, 228 pages
Age Range:	P-12
Category:	Professional Development
Subject:	Professional Development, English

Summary:

Teach Them ALL to Read offers teachers at all levels the understanding and motivation they need to teach children to read – especially those students who need help the most. It provides educators with the most current reading research about how students learn, and helps educators understand that learning to read is only the first step. Students must also learn to develop fluency, acquire cognitive strategies, and continue to “read-a-lot” to enrich knowledge and comprehension. Important features include:

- Step-by-step information on developing an action plan
- Graphic organisers
- Brief sidebars to prompt reader reflection
- Glossary of technical terms
- Comprehensive list of phonetics readers
- Checklist of “Fifty Strategies to Build a Reading Culture”
- Easy-to-read samples, forms and templates

No student has to fall through the literacy cracks, and this book shows how practitioners can keep it from happening in their schools.

Supporting Resources:

- CO6475 – The Reading Puzzle: Comprehension, P-3
- CO6513 – The Reading Puzzle: Phonics, P-3
- CO6491 – The Reading Puzzle: Fluency, P-3
