Connecting Art and Ideas Across the Curriculum

DONOVAN R. WALLING

HAWKER BROWNLOW  
EDUCATION

### Summary:

This invaluable resource demonstrates how you can use the visual arts to provide imaginative lesson plans for all subject areas from English to physical education. Each chapter highlights lesson-planning ideas, artists and works of art which are given focus by visual thinking questions. Suggested readings and links to websites that offer colour images of works of art are also included, while an 'Idea Guide' provides suggestions for fine-tuning both lessons and student assignments.

Learn how you can use the visual arts to:

- Provide imaginative lesson plans for all subject areas
- Discover thought-provoking ideas and new ways of teaching in the content areas
- Appeal to the learning styles of a broad range of students, including gifted and talented learners
- Meet the needs of an integrated curriculum.

*Visual Knowing* is an innovative resource to energise your approach to everyday lesson planning by bringing art and creativity to required curriculum topics.

### Key selling points:

- Integration of the visual arts across all subject areas.
- Detailed 'Idea Guide' categorised by subject, keyword and artist.
- Suggested questions and resources guide in each chapter.
- Online links for related images and art works.
