Summary:

If you're in need of a single resource to put differentiated instruction immediately into practice, then follow the lead of 100,000+ teachers and look to *Differentiated Instructional Strategies: One Size Doesn't Fit All, Third Edition*. Across two editions this resource has remained unmatched in its simplicity and practicality, and the same is just as true with this new edition. But with new strategies, updates throughout, a Common Core lesson-planning template and a larger format, the third edition is an even richer resource. Why has *Differentiated Instructional Strategies* remained such a classroom favourite?

- Its deep research base coupled with immediately useable examples
- Its start-to-finish six-step process, beginning with establishing a classroom climate, then getting to know students
- Its emphasis on formative assessment before, during and after learning
- Its numerous instructional strategies for using the data gathered
- Its many models for planning effective differentiated lessons, supported by 70+ templates, tools and questionnaires

Whether you're a first-time user or long-time fan, you'll find everything you need to create a truly brain-friendly differentiated classroom in *Differentiated Instructional Strategies: One Size Doesn't Fit All, Third Edition*.

Supporting Resources:

- *What Principals Need to Know About Differentiated Instruction* (SOT6932)
