Summary

Teachers of all experience levels struggle to effectively manage special education settings. In this must-have guide, Rohrer and Samson provide a solid, workable action plan to ensure measurable success for even your most challenging students.

Discover a variety of research-based instructional strategies to

- support all students, including those with autism and severe learning disabilities
- organise your classroom, materials, and staff and student schedules for optimal teaching and learning
- execute well-planned standards-based lessons, annual IEPs, PLAALPs, behavioural interventions, and visual supports
- develop communication and social skills within a language-rich environment
- foster parent communication and staff collaboration

Packed with real-world examples, free tools to use and share, a list of resources, and a helpful glossary, this dynamic resource will inspire you, expand your teacher toolbox, and ensure your students are on the path to achievement!
