Summary:

More Inclusion Strategies That Work! focuses on using the strengths of students with disabilities to give them more confidence and a greater advantage when learning new concepts. With research-based methods for identifying and meeting the needs of students with special needs, this valuable guide presents instructional and accommodation strategies to help all students access the general curriculum. Whether you are a general or a special education P-12 teacher, you'll return again and again to this must-have reference to meet the challenges of inclusive instruction and celebrate the successes of all the students in your classroom, especially those with disabilities.
