## Summary:

Students' learning styles are as unique as their personalities. As a result, the most successful teachers are often those who understand how to adjust their educational techniques to honour students of all intelligences and backgrounds.

This comprehensive resource, based on the author's years of research and experience, presents a usable, understandable framework that assists P-12 teachers in achieving success in today's differentiated classroom.

From easy-to-implement techniques to templates for planning lengthy curriculum units, teachers receive clear direction for appealing to the learning personalities in their diverse classrooms. Discover teaching techniques that result in success for students of all learning styles!
