Summary:

Can all your students read fluently, independently and with understanding? The Reading Puzzle series helps you organise instruction to better develop students' core reading skills, to make them successful readers. Derived from the research-based strategies in Elaine K. McEwan's bestseller *Teach Them All to Read: Catching the Kids Who Fall Through the Cracks*, these standards-based, easy-to-use activities will set students on the course to reading success. The books in this series offer practical techniques and guided practice and provides creative activities and tools such as graphic organisers and visual prompts. Each book investigates a different aspect of the English language – Vocabulary, Fluency, Phonics, Phonemic Awareness, Comprehension, Word Analysis, and Spelling. This teacher-friendly set is sure to be an important resource for any teacher, new or experienced, who wants to help every student in the classroom learn and succeed.
