## Summary:

This book contains everything you need, to build a successful and sustainable plan that is rooted in enduring principles. Bestselling author Frank Crowther makes a compelling case for capacity building and parallel leadership as the keys to ensuring sustainable improvement. Based on a recent research study that examined how school leaders collaborated to enhance quality in their workplaces, this book:

- Includes practical examples and proven tools
- Outlines six research-based dynamics for accomplishing lasting results
- Provides real-life examples of successful parallel leadership among administrators, teachers and students
- Demonstrates effective capacity building in a variety of settings with case studies and simulations

## Other Hawker Brownlow Resources:
