RRP:	69.95
Format:	A4, 222 pages
Age Range:	P-6
Category:	Professional Development
Subject:	English

Summary:

Grounded in research and practice, this book shows both new and experienced primary teachers how to use formative assessment as an integral part of effective language and literacy instruction for all students, including English language learners. This reader-friendly resource discusses the stages of literacy skill development and offers strategies for developing students' understanding of academic language – the vocabulary used in classroom instruction and found in textbooks and tests. Alison L. Bailey and Margaret Heritage explain how formative assessment differs from other assessment models and demonstrate how their unique approach fits within broader frameworks for assessment and instruction, and how educators can use it to implement this proven approach to literary success!
