Authors: Douglas Llewellyn

Date Available:	26 November 2008
ISBN:	1 74170 844 3
Code:	CO8443
RRP:	\$24.95
Format:	A3, 56 pages
Age Range:	Professional Development, 3-8
Category:	Science
Subject:	Science

Summary:

Demonstrate key strategies for cultivating learners' sense of discovery and advancing student achievement in science! Based on the best-selling second edition of *Inquire Within*, this guide helps staff developers and workshop leaders facilitate book study groups, seminars and events that demonstrate how teachers can implement inquiry-based instruction. Facilitators will be able to help teachers understand how children learn science, what scientific inquiry actually is and what an inquiry-based science classroom looks like. Teachers will discover how to: Cultivate a classroom culture of inquiry; Design investigations or translate existing activities into inquiry-based learning experiences and Integrate inquiry instruction with curricular objectives.
