Summary:

This is your one-stop sourcebook for building a professional learning community in your school! More and more educational leaders are turning to the collaborative learning community model to create school change and improvement. This practical resource offers research-based activities and strategies for providing professional learning opportunities that lead to the building of community in schools, as well as improved learning outcomes for both teachers and students. Ideal for school leaders and staff developers, this bestseller examines the knowledge and skills needed to become a successful leader of learners and provides helpful tips, real-life classroom vignettes, and insights into effective teamwork.
