Summary:

Unleash the power of the leadership-brain connection! This book provides school leaders with a visionary framework for understanding how mindful leadership significantly impacts growth and achievement in educational communities. Offering an approach compatible with the ways individuals naturally process information and learn, this resource links knowledge about the physiological, social, emotional, constructive, reflective and dispositional nature of the brain to compatible practice. Leaders will find specific examples and reflection exercises focused on how to: Support the mind-body connection; Promote social relationships; Harness the power of emotion; Expedite the construction of knowledge; Build a culture of reflection; and Cultivate productive dispositions.
