

Science Formative Assessment: 75 Practical Strategies for Linking Assessment, Instruction and Learning

Authors: Page Keeley

Date Available: 20 March 2009
ISBN: 978 1 74170 913 1
Code: CO913X
RRP: \$55.95
Format: 180x255, 242 pages
Age Range: P-12
Category: Science
Subject: Science

Summary:

Formative assessment allows educators to discover the varied ideas that students bring to the classroom, determine students' understanding of key concepts and design learning opportunities that will deepen students' mastery of content. An expert in science education, Page Keeley provides a rich repertoire of methods that weave assessment into the process of instruction and learning. The author shares 75 assessment techniques to help science teachers in Years P–12 provide effective instruction. These flexible assessments can be used with any science curriculum. This book promotes best practices in the classroom and helps teachers expand their tool kit of assessment techniques.
