## Summary:

Based on the author's extensive experience as a writing instructor, this guide provides a unique approach that emphasises using choice and students' personal experiences to engage English learners in writing. Exposing students to various genres of written text is one of the most powerful approaches to guiding development in writing. This resource helps teachers combine explicit and intentional strategies to facilitate writing development across genres for English learners in Years 2 to 8. Writing Instruction for English Learners is rich in proven, practical techniques to equip educators with the tools they need to guide English learners to write more skilfully.
