Summary:

Explicit Direct Instruction® (EDI), an approach based on the premise that all children can learn, helps teachers deliver effective lessons that can significantly improve achievement for all learners, including English language learners and students with special needs. In this teacher-friendly book, the authors combine educational theory, brain research and data analysis to present a step-by-step guide for implementing the EDI method in diverse classrooms. Written in an entertaining, easy-to-read style, this resource provides primary and secondary teachers with specific strategies, detailed sample lessons and scenarios that illustrate what EDI techniques look like in the classroom.
