Summary

The Best of the Best series brings together – for the first time – the most influential voices in education in a format that is concise, insightful and accessible for teachers. Keeping up with the latest and best ideas in education can be a challenge – as can putting them into practice – but this new series is here to help.

In this volume, the expert contributors focus their collective wisdom on the theme of feedback, which – as they ably demonstrate – can be understood and implemented in a number of ways. As with all the books in this series, Isabella Wallace and Leah Kirkman have developed practical realistic, cross-curricular and cross-phase strategies to make the most of these important insights in the classroom. Each expert has provided a list of further reading so you can dig deeper as you see fit. In addition, the Teacher Development Trust has outlined ideas for embedding these insights as part of CPD.

Best of the Best: Feedback is suitable for all educationalists, including teachers and school leaders.
