## Summary

Designed as a teacher's resource, *The Teacher's Toolkit* is packed with practical classroom strategies that will enable you to:

- meet the needs of different learning styles
- stimulate your own creativity
- add spice to your teaching
- challenge the gifted – and the disruptive.

Whatever your learning area, it will allow you to:

- develop thinking skills
- deliver citizenship
- embed study skills
- create true independence.

Drawing on insights from neuroscience, psychology and sociology, *The Teacher's Toolkit* provides:

- an overview of recent thinking about learning
- fifty varied learning techniques for all sorts of subjects and situations
- practical ideas for managing group work, tackling behaviour and promoting personal responsibility
- six essential ways of operating on the classroom
- tools for checking your practice – from lesson planning to performance management.
