Authors: Bill Lucas & Ellen Spencer

Date Available: May 2018
ISBN: 978 1 76056 693 7
Code/SKU: CRH6937
RRP: \$39.95
Format/Page No.: B5, 226 pages
Year Level: Teachers and Administrators
Focus Area: Classroom Practice and Direct Instruction
Professional Development
Key Learning Area: Cross-Curricular

Summary

Bill Lucas and Ellen Spencer's *Developing Tenacity: Teaching Learners How to Persevere in the Face of Difficulty* is a powerful call to action and a practical handbook for all teachers who want to stimulate and strengthen their students' learning tenacity.

Delving beyond 'grit' and 'growth mindset', and encompassing more than the formal curriculum, *Developing Tenacity* draws on the co-authors' research at the University of Winchester's Centre for Real-World Learning to offer a powerful synthesis of what it takes for learners to persevere when confronted with challenges. The resulting analysis depicts the true value of tenacity inside and outside the educational setting and provides teachers with action-oriented strategies as to how the four key 'habits' of tenacity - confidence, control, commitment and connectivity - can be developed in learners.

This powerful resource is suitable for all teachers and school leaders, in both primary and secondary settings, who want to instil a strong sense of tenacity in their students' approach to learning.
