## Summary:

Motivating activities focus on a variety of crucial reading skills, and can be used with students of varying abilities. Most include an enriching 'Challenge Activity' to help differentiate lessons. Use the activities to introduce or extend students' reading skills and to deepen their comprehension. They are also great preparation for standardised tests. Sections include: Sequencing, Using Context Clues, Main Idea and Supporting Details, Predicting Outcomes and Making Inferences, Comparing and Contrasting, Identifying Cause and Effect, and Interpreting and Evaluating Information. 110 pages, Year 3 to 5.
