Summary:

Develop appreciation of literature and improve reading comprehension skills with this time-saving resource for years 6–12 that helps students understand the classic Dickens novel.

Reading Comprehension Exercises encourage students to read carefully and critically by asking them to recall details, pick main themes, make inferences and draw conclusions. Vocabulary Exercises introduce words and new forms of familiar ones. Stop and Think Exercises encourage students to summarise; describe and explain events, personalities and problems; make predictions; discuss themes; infer motivation; compare situations with current events; look for connections to their lives; etc.

Finally, Reviewing the Story Exercises include objective and open-ended exercises.
