Key Selling Points:

- Makes a wide variety of curriculum areas including maths, social studies, art, science and English accessible and interesting to students.
- Increases students' general knowledge.

Summary:

Help students get to grips with history the fun way with the exciting As It Was! Series. This ancient history guide introduces students to famous mythological figures such as Athena and Archimedes. It also introduces them to famous historical characters such as the great philosopher and teacher Socrates, and the playwright Sophocles. With a wide variety of information on the issues, people, and places of Ancient Greece, your students will come away with a greater general knowledge, and an improved understanding of some key areas of the curriculum.
