Age Group: P–12
Category: Curriculum

Summary:

The Supportive Learning Environment is part of James Stronge's Effective Teaching Practices series; a collection of texts and resources that provide a bridge between research and practice, with tools and plans of action for improving teacher quality and raising student achievement.

Intended for teachers of all levels of experience and students of all ages, this book includes a range of techniques and case studies to help teachers improve their quality of teaching. The downloadable resources include reproducible copies of all templates and tools for direct implementation into the classroom.

Supporting Resources:

- *Student Achievement Goal Setting: Using Data to Improve Teaching and Learning* (EYE4013)
- *Evaluating What Good Teachers Do: Eight Research-Based Standards for Assessing Teacher Excellence* (EYE4020)
- *Effective Teachers = Student Achievement: What the Research Says* (EYE9911)
- *Planning, Instruction and Assessment: Effective Teaching Practices* (EYE3122)
