Summary:

Handbook on Teacher Evaluation: Assessing and Improving Performance will help educators to determine if teachers are performing to the best of their ability, and whether they can alter their teaching methods for the better. The tools in this book, along with its downloadable resources, have been developed over 15 years and have been field tested in over 500 schools. Among those tools included are:

- Job Descriptions;
- Student and Parent Surveys;
- Performance Appraisal Rubrics;
- Improvement Assistance Plans, and many more.

Handbook for Teacher Evaluation: Assessing and Improving Performance is a great resource for educators, whether they are teachers or administrators. By evaluating their own performance, educators will be able to provide students with the best educational experience possible.
