Summary:

Making Good Teachers Great: Everyday Strategies for Teaching with Impact offers practical skills and strategies to make good teaching great in an easy-to-implement, day-by-day format. Each day presents a new activity for the teacher, designed to help cultivate new methods and procedures for a variety of situations, including:

- Student misbehaviour;
- Classroom management;
- Planning;
- Rapport with students;
- Communicating with parents; and many more.

These tools, tips and activities can be seamlessly integrated into any lesson, helping both new and experienced teachers increase their effectiveness and improve student learning on a daily basis.
