Code:	HB2776
RRP:	\$10.00
Format:	180x255
Age Range:	Years 5–12
Category:	Reading
Subject:	English

Summary:

Lives collide each and every day. Some collisions are fatal. Timing is everything. The right place at the right time versus the wrong place at the wrong time; minutes or metres? Your perspective is not the status quo. It is simply yours. Should those who read Arial Black look to extend their knowledge of self, consider the lives of others and occasionally take a conversational risk – the author's objectives will have been met.
